Dear Melody,

I hope this message finds you well. Adam and I wanted to take a moment to express our deepest gratitude to you. As we savored our morning coffee, memories of the day we welcomed Remi (AKA Zuko) into our lives flooded back, filling our hearts with joy. We cannot adequately put into words how much happiness and appreciation we feel for having him in our lives.

Your dedication and love as a breeder shine through in every interaction we've had with you. From the moment we first met Remi, it was clear that he had been raised with the utmost care and affection. As you know, we've had dogs before, and each one has held a special place in our hearts. We are genuinely thrilled to include Remi in that circle of exceptional bonds that we'll cherish for years to come.

Your commitment to ensuring that your dogs find loving forever homes is evident in every detail, and it's something we deeply admire. The journey from upstate NY to Virginia was more than worth it to bring Remi into our family. Thank you, Melody, for not only being an exceptional breeder but also for being someone who genuinely cares for and loves their animals. We are forever grateful for the joy and love that Remi brings into our lives.

Love to you all,
Rivajeta & Adam
